March 2005

### *SPRING IS COMING!*

Can you believe it is March already? Spring is just around the corner, and summer is close behind. It is time to start packing away the boots and gloves and get ready for SUMMER!!!!

#### **BY-LAWS**

**PLEASE REMEMBER YOUR BALLOTS MUST BE RECEIVED (NOT MAILED) BY MARCH 31, 2005, OR THEY WILL NOT BE COUNTED.** We will let you know the results as soon as the ballots are tallied.

#### **Caution!!!!!!**

Be sure to remove your ice shanty before it's too late. We do not want to find your ice shanty on the shore once the ice has melted.

#### **PUMPS:**

We are currently receiving bids to drill test wells and will let you know the progress once we have further information.

#### **WEED KILL:**

Don't forget we have hired Professional Lake Management for our weed control. We will see great results. They can eliminate purple loose strife, which we should do in the near future due to the plant being invasive.
