

**NO
WAKE
ZONE**

ATTENTION LAKE OWNERS:

It is your responsibility to follow and notify all users of the lake of the rules of operating any type of watercraft on the lake. If you have friends/family/lake users visiting; please POST THIS NOTICE FOR THEM TO FOLLOW AS WELL. It is your responsibility to ensure that your visitors are following the lake rules. It is vital to the health of the lake that we limit erosion and shoreline damage that occurs in many areas due to large waves. Further, it is a **NAVIGATIONAL HAZARD** to have high speed boating in many parts of OUR lake. Please **HELP US, HELP YOU** in protecting our lake, our investment and everyone's safety!

WHY NO WAKE?

And what does that mean to YOU?

No Wake means operating at a minimum speed to maintain steering and headway.

No Wake hours are from 8:30pm to 11:00am on the
ENTIRE LAKE!

Watch for No Wake Zones in the Canals/Coves! A no wake zone is not dependent on the time, if posted, it is always no wake.

Benefits of NO WAKE ZONES:

Reducing Erosion, Protects your shoreline & beach

Safety of NO WAKE ZONES:

No Wake in narrow passages to help protect YOU

Provides a Safe Environment for all Recreational Users

PLEASE, PLEASE OBEY THESE LAWS.

HELP PROTECT AND PRESERVE YOUR LAKE.
